

CESAR HECTOR | DESIGNER

I'm **Cesar Hector**, a designer specializing in **User Experience**, **Product**, and **Interaction Design** with a background in communications, social studies, and graphic design. I have 13 years of experience in **user research**, **scenario planning**, and **product design**. In the course of my practice, I've gotten the opportunity to learn to challenge perspectives in several business fields, ranging from small clothing startups to some of the largest media conglomerates in Peru and Latin America as well as worldwide industry leaders.
